Dear Parents/Carers,

## Explorer Dome – 26<sup>th</sup> March 2026

On Thursday 26<sup>th</sup> March, Year 5 and 6 will be visited by Explorer Dome. The children will be participating in an interactive science show led by the Explorer Dome presenters who are experienced, highly trained and passionate about science. The theme of the session will be based on 'environment', which links to their current Biomes Geography topic that they will be covering that term.

We would like to ask for a contribution of **£4.36** per child, to help fund this educational event, payable via [www.parentpay.com](http://www.parentpay.com) by 2<sup>nd</sup> March 2026. If enough money hasn't been raised we may need to cancel this event. Explorer Dome will engage and support your child's Geographical learning and will provide them with an experience which we would otherwise not be able to deliver.

Many thanks for all your support,

The Year 5 and 6 team
