

Year 6 SATs Information 2027

Dear Parents and Carers,

As your child moves through Year 6, we wanted to share some key information about the nationally set SATs that will take place in the week commencing **Monday 10th May 2027**. **It is essential that all children are in school for every test.** Please avoid booking holidays or appointments during SATs week wherever possible.

At school, we prepare children carefully throughout the year so they feel confident, supported and familiar with the tests. SATs-style questions are regularly incorporated into lessons, helping children become comfortable with the different question types and expectations.

Practice Papers

Throughout the year, children will complete practice papers in school. These are an important part of our assessment process and help us to:

- Familiarise children with the format and timing of the tests
- Build confidence
- Identify gaps in learning
- Determine which access arrangements best support individual children (e.g., extra time)

Some parents give extra support to their children by working through tests together at home. While this is a beneficial activity to do, we ask you to not use the **SATs papers from 2023-2026 at home**, as these are papers we use in school for assessment and preparation.

Revision Books

This year we will be using **CGP revision books** as part of our homework programme. **These are to be purchased through school for £7.05**, (a significant saving on the retail price of **£15.80!**) If you are considering buying additional revision materials, please speak to your child's class teacher first. We may already have suitable resources available or can advise on the most appropriate materials for your child.

How You Can Help at Home

The most effective ways to support your child are:

- ✓ Read regularly with them and encourage a love of reading
- ✓ Ensure homework is completed each week
- ✓ Maintain good attendance and punctuality
- ✓ Encourage them to ask for help when they need it
- ✓ Engage with school and attend Parents' Evenings

Thank you for your continued support. By working together, we can ensure every child feels confident and ready to achieve the very best.

Yours sincerely,
UKS2 Team
