

St Martin's C of E Primary School - Pupil Acceptable Use Agreement – KS2

This Acceptable Use Policy is intended to ensure:

- That you will use technology safely and responsibly.
- That you are protected from accidental or deliberate misuse of technology.

The school will try to ensure that you will have good access to digital technologies to enhance your learning.

Acceptable Use Policy Agreement

I understand that I must use school ICT systems in a responsible way, to ensure that there is no risk to my safety or to the safety and security of the ICT systems and other users.

For my own personal safety:

- I understand that the school will monitor my use of the systems, devices and digital communications.
- I will keep my username and password safe and secure – I will not share it, nor will I try to use any other person's username and password. I understand that I should not write down or store a password where it is possible that someone may steal it.
- I will immediately report any unpleasant or inappropriate material or messages or anything that makes me feel uncomfortable when I see it on-line.

I understand that everyone has equal rights to use technology as a resource and:

- I understand that the school's systems and devices are primarily intended for educational use and that I will not use them for other reasons unless I have permission.

I will act as I expect others to act toward me:

- I will respect others' work and property and will not access, copy, remove or otherwise alter any other user's files, without the owner's knowledge and permission.
- I will be polite and responsible when I communicate with others, I will not use strong, aggressive or inappropriate language and I appreciate that others may have different opinions.

I recognise that the school has a responsibility to maintain the security of others:

- I will not use my own personal devices in school.
- I will immediately report any damage or faults involving equipment or software, however this may have happened.
- I will not install or attempt to install or store programmes of any type on any school device.

When using the internet for research or recreation, I recognise that:

- I should ensure that I have permission to use the original work of others in my own work
- Where work is protected by copyright, I will not try to download copies (including music and videos)

I understand that I am responsible for my actions, both in and out of school:

- I understand that the school also has the right to take action against me if I am involved in incidents of inappropriate behaviour, that are covered in this agreement, when I am out of school and where they involve my membership of the school community (examples would be cyber-bullying, use of images or personal information).
- I understand that if I fail to comply with this Acceptable Use Policy Agreement, I will be subject to sanctions as set out in the school e-safety policy.

Please complete the sections on the next page to show that you have read, understood and agree to the rules included in the Acceptable Use Agreement. If you do not sign and return this agreement, access will not be granted to school systems and devices.
