

AFTER SCHOOL CLUB - TERM 1 & 2 NEWSLETTER

It was lovely for the After School Club team to welcome back all the children after the summer holidays. We enjoyed hearing all about the fun things they had been doing with family and friends.

We also welcomed our new Reception children - they have all been amazing and settled in brilliantly.

The children helped pick the apples and pears on the school fruit trees.

One night the children made individually crumbles to take home and on another night some children made a large crumble for all the children to share with custard. Yummy!!!

A group of children worked together to complete a 350 piece jigsaw.

Some of the children found the sea creatures their classes were named after.

We just had to show this amazing masterpiece made by Sanele in Year 1. Well done. Also, Joe and Arthur used the large connect to make these brilliant spinners. Good work boys.

(2)

After half term we started with our Christmas crafts. You have some very talented children. All the children had an opportunity to make a decoration and I'm sure you'll agree, the results are very impressive.

Once the tree was up and decorated, the children were able to design their own Christmas Badge. It's been lovely to see the children wearing them around the school. Thank you Mrs Batty for the use of your badge machine.

Mrs James made Christmas biscuits for the children to enjoy with a hot chocolate on the night of the School Fair.

To celebrate the festive season, we held a couple of movie nights. Hot chocolate and popcorn were enjoyed by the children.

We need to say a big thank to Mrs Walter who helped the children make their Christmas cards, I'm sure they made you smile.

The Club Team would also like to take this opportunity to say a massive thank you to Matilde, Freya and Jake who have been volunteering at club for their Duke of Edinburgh Awards.

*We hope you enjoyed your Christmas break
and very best wishes to you all for the New Year.*
