

AFTER SCHOOL CLUB - CHRISTMAS NEWSLETTER

It was lovely for the After School Club team to welcome all the children after the summer holidays. We enjoyed hearing all about the fun things they had been doing with family and friends.

We also welcomed our new reception children. They have all been amazing and settled in brilliantly.

Mrs James made a large fruit crumble and custard for all the children to share, using the apples and pears from the school trees. It was yummy!

A group of children worked together to complete a 350 piece jigsaw.

Some of the children found the sea creatures their classes were named after.

Runa made these flowers for Club at Brownies and we have displayed them on the window.

Thank you Runa.

Groups of children have worked together to colour the same drawings with amazing results. Well done!

Mrs Haynes has a pet spider called Mavis,
so we made some nice glittery webs for her to enjoy.

After half term we started our Christmas crafts. You have some very talented children. All the children had an opportunity to make a decoration and I'm sure you'll agree the results are very impressive. Mrs James made Christmas cookies for the children to enjoy and decorated at club the night of the School Fayre.

We used the children footprints to make winter bunting for the windows and decorated the windows with snowflakes.

We need to say a big thank you to Mrs Walter and Mrs Batty for volunteering to help the children with their Christmas Crafts.

The Club Team would also like to take this opportunity to say a massive thank you Cassie-Mai and Freya who have been volunteering at Club. You have both been superstars.

That only leaves us to say Merry Christmas and a Happy and Healthy New Year to you all. We look forward to seeing you in January.

From everyone at the After School Club Team
